Description of Warranty Terms

R&S Manufacturing and Sales Company, Inc. (R&S) warrants the product listed above for the project referenced above to be free from defects in workmanship, material and finish (when applicable) for a period of 1 year for Galvanized Steel products and 5 years for Aluminum products from the date of delivery. Coverage under this warranty requires that product is installed and maintained in accordance with R&S recommendations.

The sole liability of R&S under this warranty is to repair or replace the defective product only, at a cost not to exceed the original purchase price of the product. This warranty does not cover normal wear and tear, or damage caused by misuse, neglect or accident. This warranty is void if the purchaser makes any alteration to the product, and does not cover incidental or consequential damages to persons or property.

The purchaser is responsible for the cost of delivery of the product to and from the R&S facility and any costs associated with the removal or reinstallation of the product. This warranty is non-transferable, and applies only to the original purchaser. R&S reserves the right to make changes or improvements to its products without incurring any obligation to similarly alter products previously purchased.
